

Decision Trees

- Square indicates a decision
- Oval indicates a possible outcome

Note: you can go from top to bottom or left to right (your choice).

Sample Decision Tree

How to Create a Tree with Word

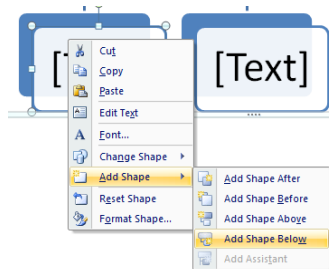

Insert a Hierarchy Diagram

Click **Insert > Smart Art > Hierarchy** and choose a type of Hierarchy tree.

Begin creating your tree, by clicking on a box that says "[Text]" and changing the text.

To Add Shapes

To add a new shape, right click on a shape, and choose "Add shape below."

To Change the Shape (of the Shape)

To change the shape, right click on a shape and choose "Change Shape"
